

## Job Description – Digital Client Finder

---

Job Title	Digital Client Finder
Reports to:	Team Leader

### Summary of Role

We are very ambitious and want to be famous, but we're a new name (KW).

We help people with something that's important but complicated (money).

In particular, we help people who've got money and need help looking after it (pensions, investments, things like that...).

We need a brilliant, fun person to help us find these people (you?).
